MAKAWELI IS IN THE LEAD NOW FOR THE CUP

Sunday, Makaweli sent Kilaua to second place in the league by defeating them in a 7-3 game. Honan on the slab for Makaweli pitched an effective game throughout. He puzzled the heavy batters of Kilaua and scattered their hits. Wood was wild in the beginning but settled down after the game had been won by the Makaweli Blues.

The Blues took the field in the beginning of the game and easily disposed of the Red Sox who came to bat. When their turn came to bat, there was something doing.

On an error Costa reached second base. Honan singled, Akina ripped the atmosphere with a two-bagger Costa and Honan getting home. Keola fanned, Fernandes flew to left field J. Fassoth then reached first on an error. Akina scored. Fassoth was caught at third for trying to be too ambitious. 3 runs. The Red Sox in the second scored one run. T. Pacheco walloping the ball for a three-bagger. Huddy died at first base, Pacheco scoring. G. Akana singled. A. Roposo sent a deep fly between center and right field, the ball being muffed. On a passed ball both runners moved up. J. Pacheco was given a free ticket, filling the bases. Here Honan showed up good by catching Werner's fly and striking out J. Akana.

In the third inning Costa fanned. Honan reached first on error by third baseman. Akina doubled, Keola singled, scoring Honan and Akina. Fernandes tripled, scoring Keola.

Fassoth struck out, Fernandes was stealing then, and scored on a bad piece of playing between the catcher and third base. Rankin flew to Wood. 4 runs.

The Red Sox came galloping back with two runs in the fourth. Huddy reached first on a wild throw by ss. and made second.

Geo. Akana singled, Huddy scored on a wild throw. Akana reaching third base. Roposo was thrown out at first, Akana scoring. Pacheco and Werner then fanned. After this both pitchers settled down to business, outwitting the batters as they came up. In the ninth inning the Red Sox looked dangerous again. Geo. Akana doubled to left field Roposo was out at first. Akana walked and stole. Werner and J. Akana failed to connect.

JOHN FERNANDES

The promising young athlete who secured the highest number of points at the recent field meet at Lihue Park by winning the fifty, one hundred, and two hundred and twenty yards dashes. In the hundred yards dash Fernandes was penalized three feet, but notwithstanding this, and the fact that he was running on a rough turf track, he made the splendid record of 10.3-5 seconds. Besides his sprinting abilities, he is one of the crack ball players of the Kauai League, holding down center field for the Lihue's. Fernandes is a student of St. Louis College, and we will undoubtedly hear from him in future school meets in Honolulu.

Every great man must realize that he is not as great as the newspapers say he is.

One reason young people think they have so many friends is that they never need them.

When you get through your work, for Heaven's sake go off and rest; don't bother the man who is still busy.
